EVERY SAT

Creative Sharing is a series of workshops, that will support local artists and inspire the community in their creative journeys. The very first workshop is called, " Embracing Vulnerability: Healing Through Spoken Word." The program guide is Kemmie Douglas, artistically known as Faith PQ (Poetikally Quoted). She is an award winning slam poet. This is a great workshop for poets, spoken word artists, song writers, rap artists and anyone that is interested in learning. There will also be an open mic for artists to share their talent.
