CHRIS PARNELL!

This year's special guest is Memphis native Chris Parnell, widely known for his time as a cast member on Saturday Night Live from 1998 to 2006, where he starred in iconic sketches like "Lazy Sunday." More recently, he portrayed "Overseer Benjamin" in Amazon's hit series Fallout, and he's also remembered for his role as the quirky "Dr. Leo Spaceman" on seven seasons of 30 Rock and "Fred Shay" on three seasons of ABC's Suburgatory.

Chris's voice acting career is extensive. He currently voices "Jerry" in the 8th season of Rick and Morty and has voiced "Cyril Figgis" for 14 seasons of Archer. Additionally, he's lent his voice to characters in American Dad, Family Guy, Krapopolis, and many more!
